Dear Harold:

The Kaplan "affair" well illustrates the futility of polemical exchanges with certain sectors. They can't lose.

As for Bishop, he has popularized the Conspiracy thesis and left blank the conspirators. Will give you appearances.

Saw a "reference to you in Coming Apart: An Informal History of America in the 60's by William L. O'Neil for Quadrangle Books.

Assassination theorists flocked to support Garrison, including not only people who had written books like Mark Lane and

Harold Weisberg - - - - - .

It's tragic
that Americans outracing
the paranoid's wildest
fantasies.

Best Wishes,
